Puppy Training for You and Your Toddler.

Safe and Easy Puppy Training for the whole family to enjoy

Yes, in only 6 short weeks, your puppy will be transformed into a clever, disciplined companion for all the family to enjoy. Our amazing puppy training course is not only very rewarding, it's also safe, funny and very entertaining.

The greatest gift you can give your children is responsibility

Puppy training teaches your children to be responsible for your puppies' toilet training, feeding, playtime and general behaviour around other people.

Learn how easy puppy training can be…

Week 1. Starting Off with Successful Toilet Training!

Have you ever wondered how an expert dog trainer toilet trains their dogs? Get inside knowledge on quick and easy toilet training techniques. Most people struggle with toilet training their dog for weeks but just imagine learning our proven steps in just one week.

Week 2. Everything You Need To Know About Obedience When Out and About!

When it comes to obedience training, nothing else compares to the tried and tested puppy obedience techniques here at Dogs R Us. Learn how to safely walk your puppy on and off the lead using simplified positive re-enforcement.

Week 3. Facts You Need to Know About Safe Play with Children!

If you're serious about owning a puppy you need to consider rules and boundaries for your puppy. Most people worry about their children's safety around pets, which is why you will learn instructive techniques, teaching your children and their new playmate how to play in a caring way.

Week 4. Discover How to Play Games Like Jumping and Catching Balls!

Learn how to teach your puppy to play games safely? Take one moment and imagine the pleasure of your family and your puppy playing games together. All you have to do is follow our simple proven steps and enjoy.

Week 5. Learn How To Pamper your Pooch with Puppy Grooming!

Everything you need to know about puppy grooming is covered in our Puppy Grooming 101 training. Have fun grooming your puppy while learning individual grooming ideas for a healthy happy pooch.

Week 6. How to Manage a Nutrition and Exercise Routine!

Finally, our program concludes with an information packed session on how to keep your pooch healthy and in great condition.

For your convenience, we have made puppy training easy to learn and more importantly your puppies' loyalty and obedience will be your greatest reward.
